Some nights she feels like cuddling. Some nights she feels like swallowing a hot load. And some nights, and these are the best ones, Bianca feels like taking as much cock in her pussy and asshole as she possibly can. There are some visual cues that she may choose to send to her guy, but most of the time she won't say a word. It's up to him to figure out what she wants. Hmm. It looks like she wants a load in her slit. What do you think? 🍆

BATMAN v SUPERMAN XXX AN AXEL BRAUN PARODY

All hell has broken loose around our great country, as criminal masterminds continue running amuck, causing our world to become a very dangerous place. At the helm of this civil and moral collapse is President Lex Luthor, a man that is now facing impeachment charges after scientifically cloning a "world guardian" named Bizarro that turned out to be a demented freak. The billion-dollar bounty placed on Superman's head is also still in effect, stemming from his murderous actions against Livewire and his affiliation with silver kryptonite.

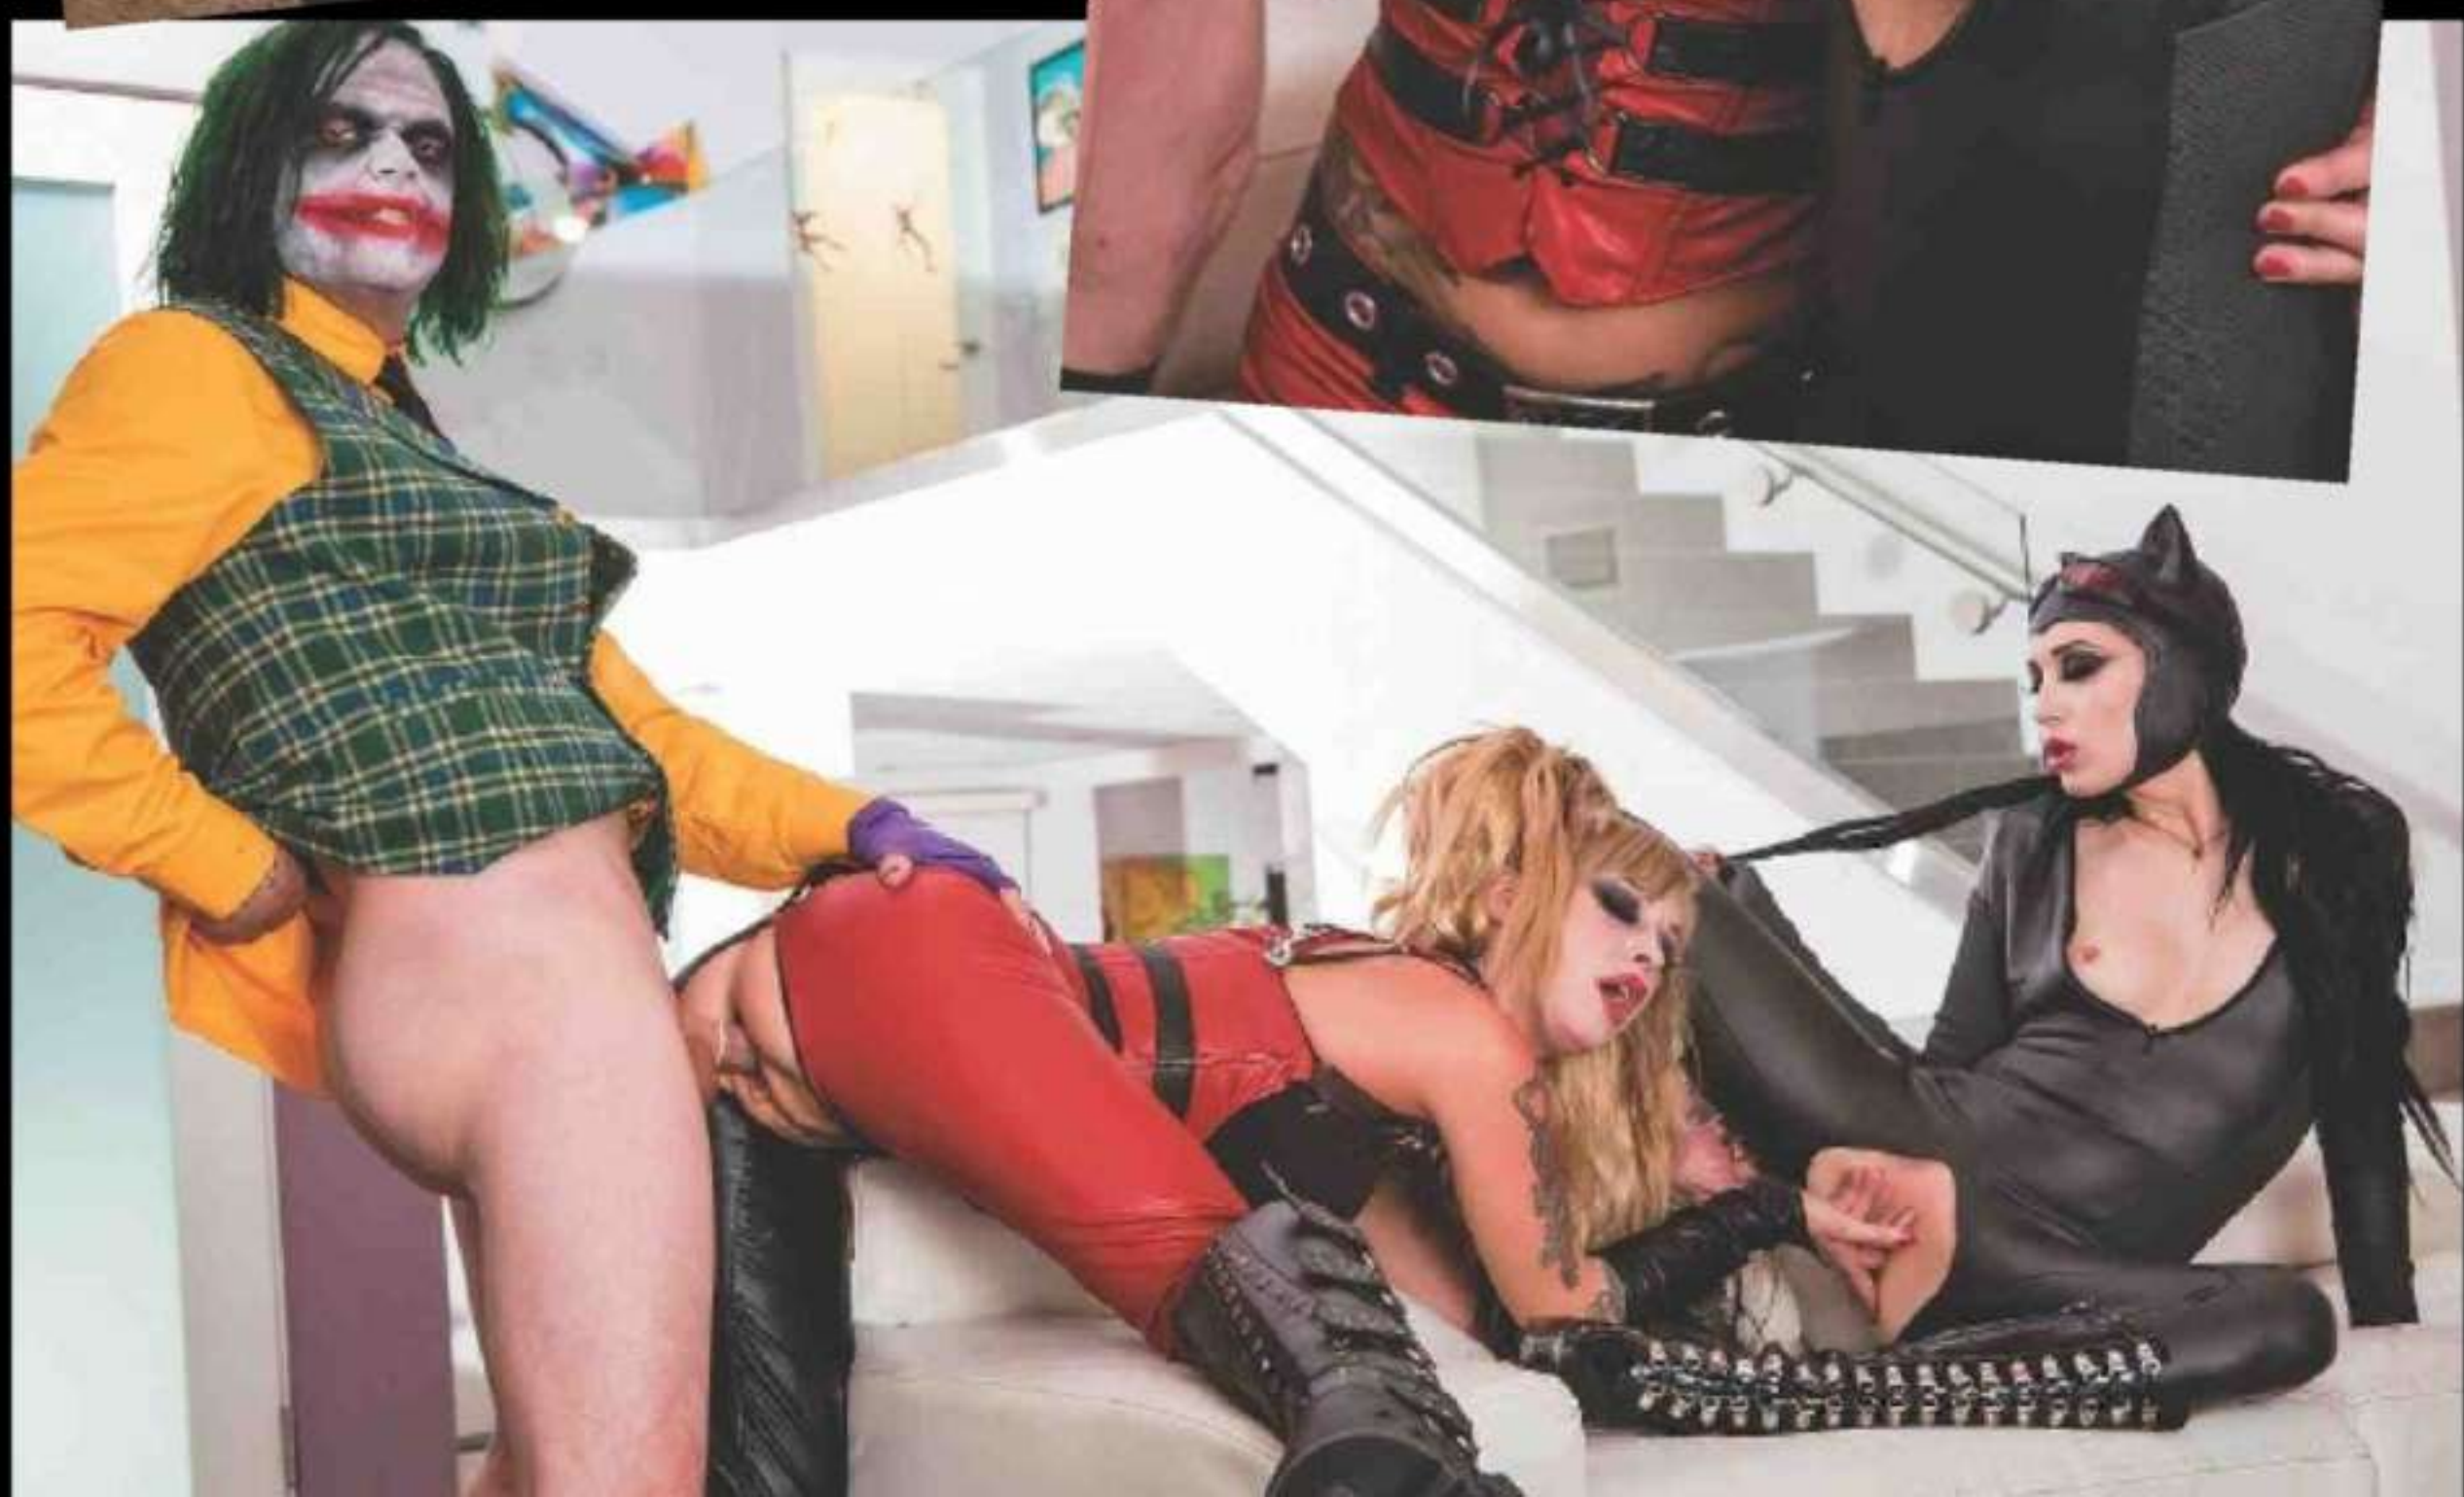

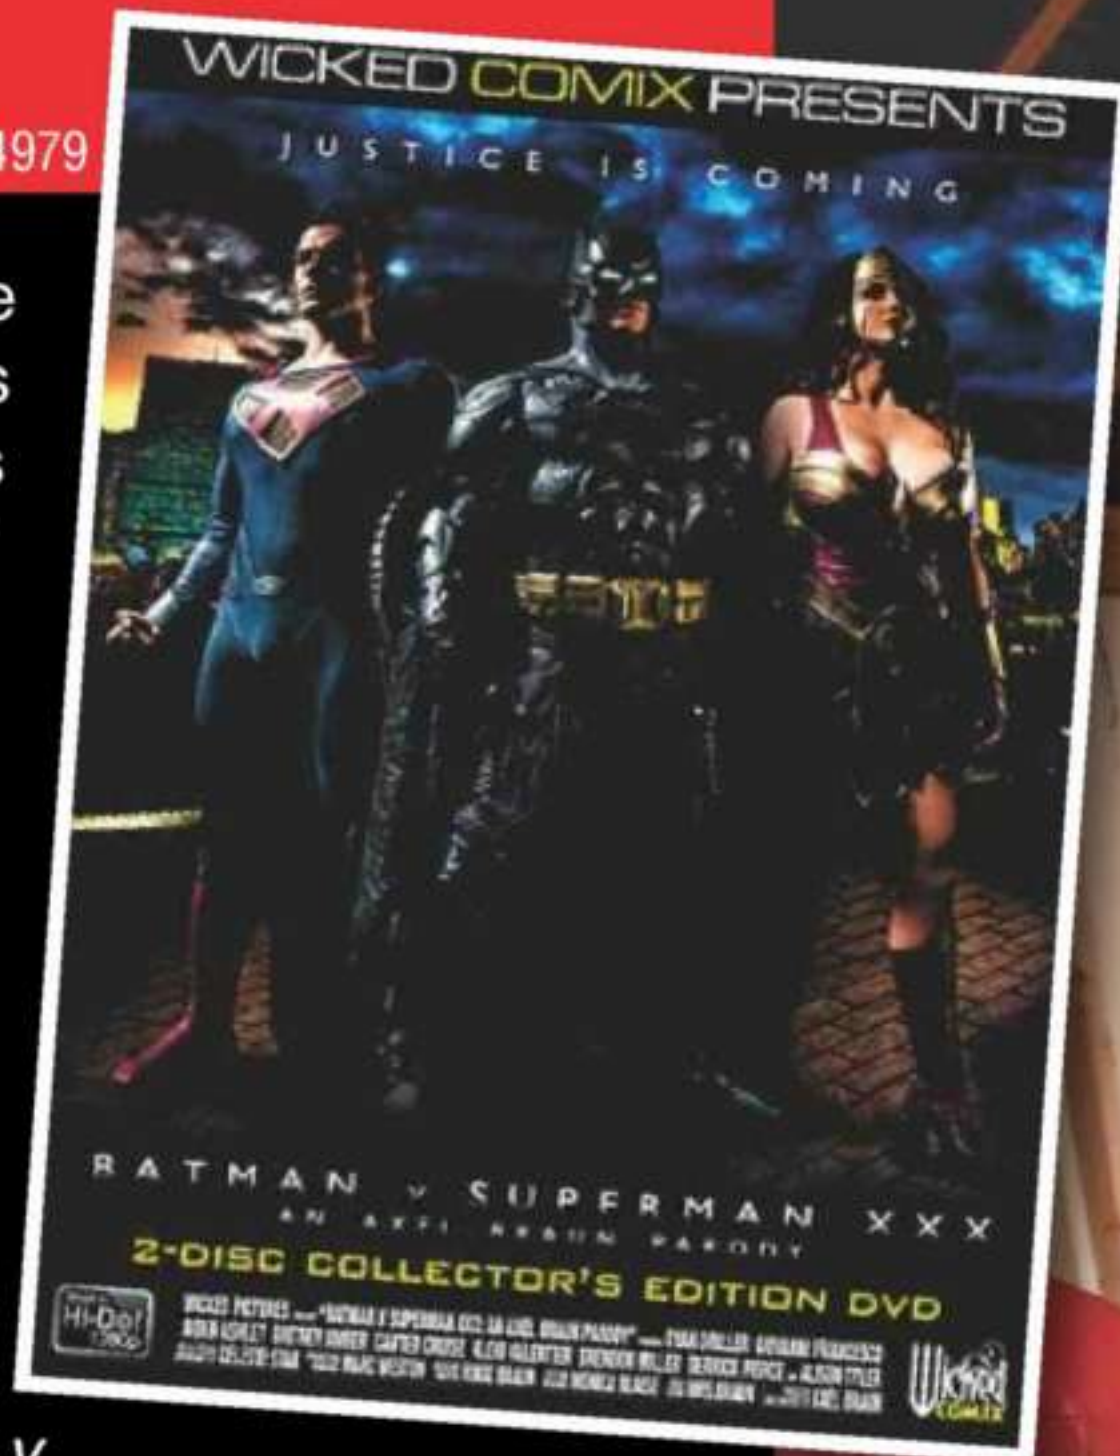

While all of these shenanigans are well underfoot, The Joker has kidnapped Lois Lane and has promised to end her life by midnight if Superman doesn't manifest in time. As this lethal trap has been set, the caped crusading heroes from both Gotham City and Metropolis collide, connecting in incredibly erotic ways to find resolution and reclaim a level of peace for the citizens of the world. As the two most beloved superheroes converge for the ultimate battle of life and death, both shall rise in more ways than one.

This and more is captured in *Batman v Superman XXX: An Axel Braun Parody*, which is a darker, more edgy rendition for America's favorite crime fighters, developed and created by multi-award winning director Axel Braun. Through a thought-provoking script, stellar costuming and an award-worthy cast of industry superstars, the adult community would be hard pressed in finding a dramatic equivalent in the beloved porn parody genre. With more action, more drama and even more bouts of hot superhero sex, this film is quality from end to end, with loads of super sperm in between!

The movie opens with a dramatic scene between Ryan Driller (Superman) and Britney Amber (Maxima), whereby Britney is desperate to impregnate herself with Superman's imperial seed, in order to give birth to a child that could rule the galaxy. While this expertly delivered blowjob is well underway, Giovanni Francesco (Batman) is in an abandoned warehouse, defending himself against a band of masked assailants that are fighting dirty, using chains, crowbars and intimidation tactics against him. As each man meets his expected demise, there's clapping in the background. It's Kleio Valentien (Harley Quinn)! Very hot!

"Bravo, Bats!" she chimes in a squeaky voice that makes her sound like a sexy mouse. Although impressed by his impenetrable skills, she's there to deliver a strict message from Brendon Miller (The Joker). Knowing that no

good can come from this encounter, Giovanni inquires, "What's the message?"

Springing to her feet like a trained acrobat, Kleio looks amazing in a red and black costume, complete with platform boots, a mask over her hazel eyes and her blonde hair wildly arranged in messy pigtails. Knowing that she is nothing short of irresistible, she charms, "You want to know, you gotta pay." Game on!

Rushing toward our dark knight, Kleio yanks out her perfect tits from her crop top and hand feeds Giovanni her perfectly pink nipples. Literally rising in his super armor costume, Giovanni is ripe and ready to get up close and very personal with this sexy jester.

Also noticing the big boner bulge in his suit, Kleio hunkers down on the thick platforms of her boots and yanks out his cock. With razor sharp precision, she begins ingesting his anchor, running her hot tongue over his balls. Proving to be nothing less than a true cock connoisseur, Kleio continues stuffing her mouth full of Giovanni's bat boner, causing her glossy lips to decorate his shaft like a red and white peppermint stick, her signature markings, we suppose.

After both vigilantes have had their oral fill,

Giovanni arranges Kleio in a languid standing doggie arrangement that shows off the beauty of her awesome sex holes. Holding on tightly to a red chair, Kleio enjoys the ride of her life, as Giovanni digs in deep, eventually anointing this bad girl with major Bat butter. Biff! Pow! Jizz!

Afterwards, Harley Quinn reveals her devilish plot with The Joker to kill Lois Lane. Now rendered useless, due to some pussy poison that she implemented on him, Batman is unable to respond, react or warn Superman of this dubious threat.

Meanwhile, Derrick Pierce (Lex Luthor) is visibly shaken by an impromptu meeting he just had with Brendon Miller (The Joker). "You're much too smart to underestimate him, Mr. President," Carter Cruise (Supergirl) says from the background.

Revealing that he can no longer "sanction this buffoonery," Derrick is primed up and ready for some action. At this point, we also become well aware that Lex Luthor and Supergirl have been caring on with a heated love affair for some time now. In fact, their sexual chemistry is quite palpable.

Rushing to ravage her secret lover with her lips, Carter connects with enviable amounts of love and passion. Greeting his girl with a more aggression touch, Derrick begins biting her ears and placing his hands across her neck, making her swoon underneath his strong grip.

Next, he places his blonde beauty across his desk and unzips the crotch of her skintight suit. As her glorious pussy and mane of hair come flowing out, Derrick takes his time running his tongue around her juicy clit and probing her wet hole with a flurry of fingers that causes her eyes to adorably cross. "Oh, yeah! I like that," she sighs.

When he's finished dining on Supergirl's super slit, Derrick uncoils his mega cock from his silk trousers and impales his kinky Kryptonian with his American-made cock in missionary position. Maintaining stellar eye contact and explosive sexual chemistry throughout, these two actually look and treat each other as secret lovers would-

with tenderness, passion and an unadulterated lust that is more powerful than any substance found in the known world.

From here, this dynamic duo transition onto the floor. Mounting her lover with force, Carter takes a seat on Derrick's lap in cowgirl position. Treating his cock like a spring, Carter energetically works his pole up and down, coating his crotch with plenty of her natural nectar. Succumbing to one orgasmic rush after another, this is clearly one of the strongest sexual performances of Carter Cruise's career and will undoubtedly be in contention for a trophy come award's season!

As the last drops of Lex Luthor's liquid load coat Supergirl's sexy mouth, our attention is brought over to The Joker and Harley Quinn, who have Celeste Star (Lois Lane) tied to a chair in her own home. Meanwhile, the clock continues ticking down and there is still no sign of Superman.

Very quickly thereafter, Aiden Ashley (Catwoman) joins the disjointed pair of menacing misfits and tells them that she wants in on Superman's billion-dollar bounty. Agreeing to partner up, they decide that she must entertain them before Superman's expected arrival. Always up for a little game of cat 'n mouse, lovely Catwoman agrees to their terms and pounces on her newly appointed partners like a hungry jungle cat.

Immediately going straight for his cock, both bitches attach their mouths to either side of his shaft. With long licks, powerful sucks

and plenty of deep ball action, both girls manage to make The Joker squeal with delight. Sharing his cock between them, it's awesome watching both divas vie for the right to wrap their mouth around his mushroom tip. Showing slighter dominance over the jiggly jester, Catwoman proves to be the top bitch that always lands on her feet.

As both women take their turns spearing their holes with his hard cock, the action really turns white hot the moment Brendon plugs Kleio's engorged cunt in spoon position. Just as her beautiful breasts bounce atop her chest and her clit plumps up to the size of a cherry, Aiden takes a seat on Kleio's pretty face. Once positioned above her blonde friend, she grinds her pink kitty across Kleio's lips, gracing her new playmate with scads of her warm pussy milk. Loving the action from above and below, Brendon takes full advantage of these dueling cock stars and revels in the sight of both

sexy sirens swapping his Joker juice from mouth to mouth.

While all of this mishap and mayhem is commencing, Maxima has banished Superman back to Krypton, per his request. While away, he hears of the deadly atrocities committed against his true love, Lois Lane. Blaming Batman for not stepping in to protect her, Superman is now on a mission to seek the ultimate revenge on everyone that he feels has betrayed him.

As the two men meet and engage in a ruckus battle of mind, power and weaponry, Alison Tyler (Wonder Woman) ascends down from the ethers and urges both men to join forces to bring The Joker to justice, as opposed to tearing each other apart. "You are the finest men I know... and I've loved you both," she delights before wrapping her dueling lovers in her caring embrace. Very sweet.

As the three join forces in love, lust and crime fighting, we're left with burning questions. Will The Joker ever be apprehended? Will universal trouble and mayhem continue on a worldwide scale? Will Lex Luthor finally succumb to impeachment? And, will Maxima ever be impregnated by Kal-el's galactic seed? All we can say is, "Justice is Coming!" 🍌

A GRAND PURSUIT!

San Diego Sweetheart's Journey From Shy, Insecure Virgin To
The Most Popular Pole Rider And Slit Slurper In Porn History!

Let's start from the beginning. What type of person were you growing up in San Diego?

Funny enough, I was extremely shy growing up, painfully shy even. I was quiet, reserved and insecure. I lacked confidence and was very self-conscious. I didn't participate in school activities, like sports and school clubs. I was pretty boring.

We'll talk about your entry into porn in a little bit, but until then, has porn helped you come out of that shell?

Yes, it has. Porn has helped me find the confidence within myself. Even when I got into porn, I was still self-conscious though. It's better now.

The first time I had sex, it was crazy. I was grounded actually, but can't remember what I had done wrong. Anyhow, I snuck out of my bedroom window because a guy I liked was throwing a party. When I got to his party, he chatted me up and got me drunk. We ended up having sex in his sister's bedroom. (laughing)

So, after your first taste of the "D" you wanted more and then became promiscuous?

Yeah, I guess so. I had very low self-esteem and equated sex with personal validation. I thought if I slept with them that they would like me. I stayed promiscuous until I turned 18. Shortly after that, I became a very young bride.

So then, how did the shy girl from San Diego find her way into the world of porn?

Well, for years I ran a retail pharmacy and had seventeen employees under me. I wanted a change. I needed to make more money. At that point, I was also promiscuous too, so I was looking for something new. I was having sex with many people anyway, so I thought, maybe porn. And, here I am.

Wait, wait, wait. You said you were shy growing up. How did you jump from being shy to being promiscuous? Let's start from your first time.

Did your teenage promiscuity include girls too?

No! The first time I ever had sex with a woman was on camera, for porn. At that point, I had only made out with a few girls, just kissing and stuff, but that was it.

How do you feel about having sex with women now?

As time goes on, I'm getting more and more into girls. I've always fantasized about fucking hot women, but the thoughts were my private thoughts, masturbation thoughts. I'm definitely into them now though.

Masturbation thoughts? Do tell.

First of all, I masturbate every day, sometimes multiple times in a day. I like to imagine a hot blonde with big tits, like a Summer Brielle type of women, eating me out. And, my weapon of choice is my Hitachi wand.

Since your first real sexual encounter with a woman was on camera, were you nervous?

Yes, I had never had sex with a woman before and didn't have a clue what I was doing. I was wondering to myself, "Am I doing this right? Does she like it? Am I making her feel good?" Overall, I think I did a pretty good job. I love doing lesbian scenes now.

After you had joined porn, were you afraid or did you think about the lasting implications or stigma that might be attached to that choice?

I was so naive. I actually thought I could be the one girl that could fly under the radar and go undetected. Yeah, that lasted about a month. But, by then, I didn't care. I was having fun. I was being safe and sexually responsible. I was also putting myself in a better financial situation too. All of that helped me build confidence in myself. I am at peace with my choice.

Now, let's talk about your stage name, Brooklyn Chase. It has a sexy ring to it. How did you come up with it?

My former agent initially asked me if I could be any name in the world, which name would I choose. Since I'd never thought of that before, I consulted a name website and started jotting names down. Then, when I

was on my way to take my profile pictures for my agent's website, I knew I had to figure it out quickly. Brooklyn Chase.

We think it's a sexy name. Actually, it fits you. It's kind of sassy and cute.

In the beginning, if people would Google my name, information for Chase banks in Brooklyn, New York would come up. And now, the search engines go to me instead.

Just to throw it out there, what is your favorite sexual position?

I'm a doggie girl, no question. Pull my hair, smack my ass. I love it all!

We follow you on Twitter and know that you are very good to your fans. Let's talk about your fans for a few moments.

I really enjoy and appreciate my fans. I keep up with social media and have fun interacting with them and letting know about the things I'm doing or working on. I talk with them on a personal level. I think they appreciate that aspect about me. Some fans even send me gifts, which is incredibly generous and sweet.

Although we imagine you have both male and female fans, we're sure you have more male fans. With that said, describe the type of man that turns you on.

I don't have a specific body type or look that I go after. It's all about personality for me. I've dated and had sex with all types of men and that's the truth.

Before joining adult, had you watched any porn movies?

Yes, I had watched a few. I used to enjoy watching lesbian porn. I wanted to see one girl going down on the other. I wasn't really interested in anything else besides that.

What about now? Do you watch porn now?

No. Since joining the industry, I haven't watched porn. I only see bits and pieces of my own scenes sometimes, but I don't really watch porn at all anymore.

At this point, you've been in a fair amount of awesome scenes. We can picture a few of them right now. Do you have a favorite encounter?

Hands down, I have great chemistry with Ryan Madison and therefore love working with he and Kelly for their company, Porn Fidelity. But, there was a scene in their movie called *Madison's Mad Mad Circus* that was off the hook. In that movie, I was apart of an orgy that included Ryan, Kelly and five other girls. Since it was a big circus scene, I even had an opportunity to ride on an elephant, which was so cool. Literally, we fucked for three hours!

Speaking about hot girls, do you have a crush on any porn chicks?

I love Kendra Lust. Kendra Lust can do no wrong. Her body is beautiful and her scenes are hot. I also think she's got the best ass in the industry too. Her big boobs also turn me on. Kendra is the ultimate woman for me. I want her everyday.

Aside from Summer Brielle's big tits and Kendra Lust's perfect ass, what else gets you off?

I actually really love being spanked and having my hair pulled. Aggressive, passionate sex really gets me hot. I also love kissing. Kissing is so sexy and is the way to get me going. And, I don't just like my lips kissed, but love it when people kiss my neck, my back, my shoulders. Oh, I'm getting hot just thinking about it. So then, just to get it straight, kiss me softly and then spank the hell out of me. (laughing) 🍆

Anikka Albrite "I love lingerie. I even have these special soy candles that melt into massage oil. I love a good rub down that incorporates itself into sex. I love foreplay and rubbing my titties all over my partner. I love exciting cocks and pussies with a booby massage."

10 WAYS TO INCREASE YOUR **SEX** APPEAL

Although there are some amazing super-couples who seem to have the healthiest and most admirable relationship that includes loads of hot sex, most other couples experience substantial difficulty in their quest at finding a balance between love, lust and monogamy. In fact, the exact recipe needed to morph your average relationship to the next level of erotic bliss is quite easy. The recipe, my friends, is true love and insatiable passion. Simple, right? Well, it can be! If true love exists between you and your partner, you're already half way there. Congratulate yourself. At this moment, you are luckier than most people who are still looking for a special someone to call their own. The next part of the equation is implementing simple tips, tools and guidelines that will help you **STAY** sexually attracted to your significant other, even after several years of togetherness. Although staying sexually attracted to the same person year after year may seem like an impossible task at times, it really isn't all that difficult if you learn how to keep things fresh, fun, sexy and a little bit naughty. The following sex secrets and notable tips from your favorite porn stars will help you understand what it takes to stay connected, and keep your partner sexually interested. If followed correctly, you have every opportunity to turn your ordinary love into an extraordinary love affair!

Riley Steele "I feel most sexy when I'm wearing my favorite pair of jeans, a tank top and my DC sneakers. I'm a very casual girl, so comfortable clothes make me feel sexy."

32267

1. Dress to Impress

Since the initial spark of attraction is physical and visual in nature, always dress to impress. This doesn't mean having to don your Sunday's finest when going to the grocery store. However, it does mean wearing clothing that is clean, wrinkle-free, stylish, and fits your body correctly. You might even want to keep a spare shirt in the trunk of your car, in the rare case that you experience a marinara meltdown. Also, shine up those shoes. An entire story can be woven by the condition of a person's shoes. And, at night, wear the type of outfit that a man or woman would want to come home to. Frumpy sweatpants? I don't think so!

2. Work that Body

Get out there! Be fit! Stay active! Whether or not you have money to join a high-class gym, there are always opportunities to work out. Go for a swim, a hike, a run, whatever it takes to get you body in motion is what you should aim to achieve. That also includes taking a dance class or doing a set of squats during commercial breaks of your favorite television show. Toning up your exterior will give you all the confidence in the world when approaching an attractive person of the opposite sex. You'll also feel damn good when your naked body is fit, toned, and looking its best. Also, do you really need to eat every last French fry on your plate? Think about it.

3. Adopt a Healthy Lifestyle

Aside from exercising your body, it is also quite important to exercise your mind as well by reading, learning, and staying mentally acute. This will also help in drumming up intellectual conversation with someone, giving you an immediate edge over your competitors. And, enough can't be said about implementing a healthy diet that includes plenty of fresh fruit, vegetables and lean meats. Once you begin transforming from the inside out, your skin will glow with a healthy radiance that will instantly boost your appeal and magnetism. Perhaps this notion taps into some primal disposition deep within us all, but one cannot overlook the phrase, Survival of the Fittest. So get out there and share your light!

4. Intoxicating Aromas

Perfumes or colognes, especially when they are in perfect alignment with your natural chemistry and pheromones, can be quite erotic and may even leave a lasting impression as you walk past the object of your affection. However, a small splash of cologne or perfume is all that is necessary to achieve the goal. If we can smell you before you've reached our vicinity, you're likely wearing too much. Tone it down. The goal is sweet seduction, not floral suffocation. Also, just because a fragrance smells good on someone doesn't necessarily mean it will smell good on you, so try before you buy.

5. Confidence! Confidence! Confidence!

Nothing is sexier than a person with confidence. Enter a room with your head held high and your shoulders back. No matter what anyone says or has said about you, you are inherently special, truly one of a kind. Think about that for a second. In the history of the world, there has never been or will there ever be another you. Enter every room with a cheerful disposition, sexy smile and project a level of confidence. This is the definition of sexy. People will have no choice but to gravitate toward your light. Nowhere in this definition does the word trashy or cocky come into play. Command attention. Stand your ground. If you perceive yourself as powerful, commanding and worthy of attention, so will everyone else in the room.

Jynx Maze "Sometimes, I like to get all dolled up in fine lingerie. Other times, I like to play the naughty schoolgirl. I try to stay in character until the sex happens. Once I'm fucking, I simply lose control. Sex should be fun, or else why are you doing it?"

30474

33822

Veronica Rodriguez "Latina women are very sexual. Men also love the sound of our accents and the way we talk. We're just crazy in bed. Men can't get enough of us."

Aaliyah Love "I've never looked at a dick and rejected it based on size. It's about chemistry. It's about the chemistry between two people. It's the way he makes me feel, the way he kisses me, the way he fucks me. Thankfully, I cum really hard, fast, and easy."

34258

Asa Akira "I've been told that I have very sexy feet. They are so small. I always keep my toes polished and my arches smooth. Men with foot fetishes can't get enough of my feet."

34463

Kendra Lust "Well, my ideal guy doesn't necessarily have to be so muscular, although I do like my men to have a little meat on their bones. He definitely has to have broad shoulders, be clean-cut and have tattoos. I love tattoos. A man with a little bit of a wild side turns me on. I really like that. Since I'm rather small, it's good being manhandled every now and again."

32128

Alexis Texas "Wearing lingerie makes me feel sexy, even when I wear it around the house. I love dressing up and feeling pretty."

32386

6. *Eyes are the Windows to the Soul*

Practice implementing good, strong, eye contact when meeting any person, especially a person you are interested in. This doesn't mean staring them down and engaging in a staring contest, but it does mean looking at the person with respect by offering them your undivided attention. This conveys an image of confidence and honesty, letting the other person know you are not nervous, deceitful or have something to hide. It also sets forth the necessary framework that tells them that you expect the same respect and kindness in return. It's lovely to gaze into a person's eyes as they speak. If done right, it could even cause the other person to blush. That is a great thing. You've just made them feel a little hot under the collar. Good job!

7. *Stay Cool, Calm & Collected*

Don't fidget! Keep your movements calm, cool, collected and deliberate. He/She can't make you nervous. No one can! Nothing does! You have complete control over yourself. You observe instead of absorb. You are a pillar of confidence. And, men, whatever you do please refrain from doing your scardy-cat spider dance if an eight-legged creature lurks inside. Nothing is worse than a man that is a wimp, or a woman that is a Nervous Nelly.

8. *Use Your Manners*

Despite what some folks might think, manners are still in so use them. Octopus hands, dirty jokes at the dinner table, and checking out other chicks or dudes are never acceptable. Be a gentleman or a lady in all situations. Also, try not to lose your head and act in a way that calls negative attention to you. Most situations can be handled with grace, tact and dignity. If all else fails, be the bigger person by walking away from the negative person or situation. You don't have to be the bitch or the bad boy to be noticed. All of these admirable personality traits will help build up your sex appeal.

9. *Language of Love*

Use your sexy, indoor, bedroom voice when speaking with the object of your affection. Speak a little slower and a little lower. Smile a lot. It may even be a sexy idea to innocently play with your straw, calling attention to your mouth. Also, little laughs or giggles every now and again sends a message of comfort and interest. If his/her body language is open to you, step in a bit closer. Use this as an opportunity to whisper something into his/her ear. Avoid being too loud, too shrill or way too talkative. People who are unable to shut their mouths relay an image of discomfort.

10. *Sexy Affirmations*

Look in the mirror in the morning and at night and affirm to yourself that you are sexy and confident. Admire your eyes, your smile or your charming wit. Build yourself up. Know that you are hot, sexy, and worthy of love, lust and/or romance. After all, if you don't believe in these qualities about yourself, how can you expect anyone else to? You're hot! Own it! Claim it!

Now that you've been armed with the necessary tools and knowledge to Increase Your Sex Appeal, go out there and get 'em!

Brooklyn Chase "I think I prefer blondes because I am a brunette. But, yes, blonde girls with big tits do turn me on. I think that is a hot look. Now, I don't have too much of a preference. If she has a vagina, I'm going to be into her."

Dani Daniels "I like dressing up in girl-next-door kind of clothing. Heels are great, but are not necessary. I like starting out my sex scenes in a comfy shirt, pretty underwear and bare feet. Like this, I don't have to pretend to be somebody I'm not. I'm most comfortable being myself."

33650

33983

Natalia Starr "Any man that looks like Manuel Ferrara will turn me on. I love dark features. In fact, I'm not really into blondes with blue eyes. Also, I love a man with a little meat on their bones and a big dick!"

34066

Skin Diamond "I love girls who are petite and look young and innocent. Sexually, I'm usually very submissive, but with girls who look like Lily Carter, I love being more dominant. A different side of me comes out and I want to pervert them more and do very nasty, dirty things to them."

KEY	POWER OUTAGE	completely limp and flaccid	⚡	a little tingle, that's about it	⚡⚡	semi-erect
	⚡⚡⚡	not bad, boner-inspiring	⚡⚡⚡⚡	above average, hard and throbbing	⚡⚡⚡⚡⚡	classic! ready to spew!

YOUNG & GLAMOROUS 7 ⚡⚡⚡⚡

(Jules Jordan Video) STARRING: Ariana Marie, Rachele Richey, Veronica Rodriguez, Aidra Fox. DIRECTOR: Chris Streams

Chock full of gorgeous young things, director Chris Streams delivers another nut-bustin' installment to his multi-award winning series. With four, fresh-faced starlets, expert camerawork and plenty of hardcore coverage, it's awesome watching these fallen angels prove that they can handle some heavy horn!

Ariana Marie begins and looks radiant in a white panty set that shows off her natural body. Even better is when she shakes her titties and gets mouth poked with Seth Gamble's gavel. Another strong point happens when Ariana is expertly drilled down in missionary position, leading to a noticeably soggy slit.

Rachele Richey keeps the momentum flowing in the next encounter when playing with her enhanced curves by the pool.

Entranced by her charm, Mick Blue pounces, gorging himself on her bubbly lips before feeding her his tube steak. Afterwards, they torridly tangle in doggie, their strongest position.

Never one to disappoint, Aidra Fox comes in strong in her tryst with Erik Everhard. Looking great as a Japanese Geisha, Aidra does a fine job of gagging on cock before allowing Erik to fuck and fondle all THREE of her holes.

Latina sensation, Veronica Rodriguez, ends the experience on a high note when going toe-to-toe with Manuel Ferrara. With an incredibly erotic size differential, it's nothing short of amazing watching Veronica's compact pussy stretch open to accommodate for Manuel's lofty French baguette. Delicious!

BLACK LISTED BRUNETTES ⚡⚡⚡

(Vince Voyer Unleashed) STARRING: Riley Reid, Katie St. Ives, Ashton Pierce, Juelz Ventura, Andy San Dimas, Sadie West, Taylor Luxx, Kelly Divine. DIRECTOR: Vince Voyer

Truly excelling in the interracial market, director Vince Voyer consistently delivers what IR fans crave. In his latest project, *Black Listed Brunettes*, which is a compilation project featuring eight filthy brunettes taking on black cock, Voyer ultimately gives you the most fuck for your buck!

Delivering the standout scene, Andy San Dimas proves why she'll always be considered a star. Tackling Jon Jon with expert finesse and a hungry mouth, it's awesome watching this raven-haired vixen ingest his black cock down to the balls. Also hot is the way her wet pussy looks when being hammered in a juicy doggie spread.

Riley Reid also puts forth a notable effort when begging for

Jovan Jordan's BBC in another scene. Positively drooling at the mouth, Riley takes pleasure in slurping on his balls and taint before jockeying her black stallion in reverse cowgirl. Yeehaw!

Possessing the biggest butt of the bunch, Kelly Divine scores major points and looks incredibly arousing when shaking and shimmying her thick ass for the camera. Once her booty stops quaking and quivering, she shows Sean Michaels the time of his life by offering up all three of her white holes. Damn, we like her!

Juelz Ventura also brings her A-game when connecting with Mr. Marcus. After delivering Juelz with plenty of deep pussy action, Mr. Marcus anoints his hot bitch with an eye full of his sexual chocolate.

WATCHING MY HOTWIFE 2 ⚡⚡⚡

(New Sensations) STARRING: August Ames, Riley Reid, Kalina Ryu, Karmen Karma. DIRECTOR: Paul Woodcrest

Exposing a new genre of pornography, whereby husbands enjoy watching and/or having their wives fuck other men, director Paul Woodcrest has blurred the lines of fidelity. The effects demonstrate a more liberated approach to marriage, partnership and sexuality!

August Ames kicks things off by allowing Ramon to ravage her body. Later, he yanks her panties up her slit before feeding her his Spanish sword. When finished, she rides him like a cowgirl in sidesaddle, as her awesome titties flip and flop.

Next, we find Riley Reid diving head first into Mark Wood's cock. Once connected, she delivers a slobbery blowjob that leaves her mouth dripping with spit. The moment her mouth

tires, she enlists the help of her tight pussy, gripping it around Mark's wood like a vice in the cowgirls.

Later still, hot Asian angel, Kalina Rye, has a go with her husband's friend, James Deen. Once he enters her home, they share passionate kisses before James spears Kalina's tonsils with his bone. Demonstrating extreme amounts of passion throughout, the heat really is turned up when Kalina is on her back, taking cock like a champ.

Finally, in what is the spotlight scene of the production, Karmen Karma has a phenomenal tryst with Evan Stone. This begins with a balls deep blowjob, followed by slit splitting hardcore that leaves Karmen's nipples and pussy hot pink. Wow!

MILF AND KITTEN ⚡⚡⚡

(Airerose Entertainment) STARRING: Abby Cross, Nikki Daniels, Holly Heart, Sabrina Banks, Nina Elle, Sandra Luberc, Rilynn Rae, Alana Luv. DIRECTOR: N/A

Offering strokable porn that will certainly get the job done, Capitalizing on our fetish for the older/younger experience, Airerose Entertainment has gathered a fine grouping of eight females, unleashed them on each other in this slick offering. With sexy setups and loads of lesbian lust, fans of hot girl-on-girl action should have plenty of material to keep their hammer happy.

The lesbian lickin's begin when Nina Elle catches Sandra Luberc masturbating with a vibrator. Soon, Sandra is poking Nina with the toy, offering some oral assistance in the process. After both pussies are tongue polished, they go back to heavy toy usage.

Next, we find Holly Heart teaching Sabrina Banks how to play the piano. When she notices tension in her young student, Holly

offers up a sexy massage. This leads to hot twat-on-twat action that includes plenty of tongues, toys and the good vibrations from a Hitachi wand.

From here, we find Nikki Daniels fawning and masturbating over the object of her affection, Abby Cross. Later, Nikki awakens Abby with a sultry kiss. Afterwards, they worship each other's bodies, using solid tongue action. Once they begin the toy session, expect plenty of greasy gashes.

Rilynn Rae and Alana Luv put forth the strongest scene when they connect for some explosive lesbian love. With plenty of kissing, fingering, sucking and tribbing, these girls prove they know how to please a woman, especially when in the sixty-nine position.

Ivana

Sweet As Sugar

Being shy has never been part of Ivana's personality. With her flawless face and body, multiple doors have always opened. Not coincidentally, Ivana has always kept multiple openings of her own open; the backdoor especially. So when she was asked if she wanted to get spit roasted by a couple of cocks, she was more than ready for the challenge. She spread her sweet Ukrainian legs open then let her pussy and asshole get jack-hammered until the only thing left to do was slurp up the jizz. Sweet as sugar, indeed. 🍷

Ria Rodriguez

There is nothing in this world that Ria Rodriguez wants more than to be pounded by a long cock. The only thing on her mind is for that rock hard pole to slip between her sweet wet pussy lips and begin slamming away until it's ready to unleash a full creamy clip of spuzz all over (or inside) her freshly fucked holes. This is how a professional fucker does it, friends. 🍆
